

Bioengineering Graduate Program M.S. Degree Checklist

Name: _____ Advisor: _____

The M.S. Program requires 30 total credits, 6 of which must be BIOE 799 research credits.

BIOE Core Courses

BIOE 601

BIOE 602

BIOE 603

BIOE 604

Semester Taken:

Semester _____

Semester _____

Semester _____

Semester _____

* Attendance at the weekly BIOE Seminar Series is required every semester.

BIOE Elective Courses

Life Science Electives (2)

Course Number _____

Course Number _____

Semester Taken:

Semester _____

Semester _____

Engineering, Math, or Computer Science Elective (2)

Course Number _____

Course Number _____

Semester _____

Semester _____

Other Elective(s):

1.

Semester _____

2.

Semester _____

At least 6 credits of BIOE 799: Thesis Research taken? Yes _____ No _____

Note any coursework you are transferring into the program here. Include what requirement the course is counting towards (maximum of 6 credits allowed):

1.

2.

Thesis Seminar

Date _____

Oral Defense

Date _____

Application for Graduation Submitted

Date _____
